

CUSTOM DECALS

Our Vinyl Decals are made with a 3.5mil permanent pressure sensitive acrylic adhesive and backed with a two side poly coated lay flat release liner. Expected exterior life is two years or more. White, Yellow, and Clear are available.

Our Reflective Decals are made with white or yellow engineer grade reflective sheeting with a permanent pressure sensitive adhesive. Expected exterior life is 5 years or more. 3M™ Engineer Grade Series 3200.

Double Faced or inside applied decals are available, but require white as an extra color.
